

I listen to AIR 1 everyday as it is the only Christian radio broadcast I receive in my area. If AIR 1 were to go off the air, I know many people in the public who would be denied their one radio station that addresses their music needs. I am one of these people. Christian radio is so hard to come by these days... if AIR 1 were to go off the air a large number of people in the public would be denied of their favorite station. Keeping AIR 1 on the air is in the best interest of the public as it serves as many people.
